Passenger Notices

Carriage and other services provided by the carrier are subject to conditions of contract, which are hereby incorporated by reference. These conditions may be obtained from the issuing carrier.

French Grenelle emissions reporting. For those passengers flying into/out of France, your carbon emissions are available here: [Click here](#). Note the calculator does not include emissions from the extraction and refining of aviation fuel which add approximately 20% to these results.

The itinerary/receipt constitutes the passenger ticket for the purposes of Article 3 of the Warsaw convention, except where the carrier delivers to the passenger another document complying with the requirements of Article 3.

If the passenger's journey involves an ultimate destination or stop in a country other than the country of departure the Warsaw Convention may be applicable, and the convention governs, and in most cases limits, the liability of carriers for

death or personal injury and in respect of loss of or damage to baggage. See also notices headed Advice to International Passengers on limitation of liability and notice of baggage liability limitations.

Full Conditions of Carriage are available at the following link [Click here](#)

Electronic System for Travel Authorisation (ESTA) Information

This routing requires passengers to have completed Electronic System for Travel Authorisation (ESTA) prior to departure. As of January 12, 2009, individuals traveling to the United States without a visa (under the Visa Waiver Program, VWP) must register online to receive an authorisation to travel to or through the United States. An authorisation is valid for two years after the date of issuance given there is no change to your VWP valid passport. Please ensure passengers register as early as possible, as it may take up to 72 hours to process your application. Registration is available at the following link [Click here](#)
